What is it like being visited by a family nurse?

If your baby could talk, what would they say about the family nurse coming to visit?

How do you feel about the topics you are working on and the information and materials the family nurse brings to the home visits?

Tell me what you want me to know

This is what I like best about the programme and the home visits:

If I could change anything about the programme and visits, it would be this:

Feedback from the family nurse to you:

I want you to know this, so that you can help me even more:

Anything else that the family nurse should know?
